To verify service, please complete this form for each different event and submit with your portfolio.

Name of Event: ____Best Buddies Color Run____

Organization: ____LivingstonISD Best Buddies____

Type of Service: ____Photography & Event Organization____

Describe your service activities: I photographed participants in the event while they ran/walked the Color Run. I helped the event supervisor find innovative ways to run the event smoothly. Such as help with registration, volunteers, vendors, and more. I learned how to run a mass event within a community. I learned how to find creative ways to help fundraising. I learned how to photograph an event well.

Purpose of Event: The purpose of the event was to establish community engagement with the city of Livingston to spread awareness of the organization, Best Buddies, as well as gain monetary funds. Another purpose was to spread camaraderie between high school students and their buddies from the Life Skills classroom.

What I Learned From the Event

From this event, I learned more about the planning and implementation process as well as gaining skills with photography. I taught my mom everything I was taught in 311 and 320. We made a playbook together, organized volunteers, reached out to donors, and brainstormed creative ways to make this color run accessible and unique.
